A BILL

To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Crossroads of the
5 American Revolution National Heritage Area Act of
6 2003”.

7 **SEC. 2. FINDINGS AND PURPOSES.**

8 (a) FINDINGS.—Congress finds the following:

1 (1) New Jersey was of critical importance dur-
2 ing the American Revolution due to its strategic lo-
3 cation between the British armies headquartered in
4 New York City and the Continental Congress sitting
5 in the City of Philadelphia.

6 (2) General George Washington spent almost
7 half of the period of the American Revolution per-
8 sonally commanding troops of the Continental Army
9 in New Jersey including 2 severe winter encamp-
10 ments at what is now Morristown National Histor-
11 ical Park, a unit of the National Park System.

12 (3) It was during the 10 crucial days of the
13 American Revolution between December 25, 1776,
14 and January 3, 1777, when General Washington,
15 after retreating across New Jersey from New York
16 City to Pennsylvania in the face of total defeat for
17 the Nation's cause, recrossed the Delaware River on
18 Christmas night, 1776, and won crucial battles at
19 Trenton and Princeton. Thomas Paine, who accom-
20 panied the troops during the retreat, described the
21 events as, "the times that try men's souls".

22 (4) There are situated in the State of New Jer-
23 sey the sites of 296 engagements including several
24 important battles of the American Revolution, which
25 collectively are of significant importance to the out-

1 come of the overall conflict and the history of the
2 United States. Among these are National Historic
3 Landmarks including Washington's Crossing, the
4 Old Trenton Barracks, and Princeton, Monmouth
5 and Red Bank Battlefields.

6 (5) Additional national Historic Landmarks in-
7 clude the homes of Richard Stockton, Joseph Hewes,
8 John Witherspoon, and Francis Hopkinson, all sign-
9 ers of the Declaration of Independence, Elias
10 Boudinout, President of the Continental Congress
11 and William Livingston, patriot and Governor of
12 New Jersey from 1776 to 1790.

13 (6) Portions of the landscapes important to the
14 strategies of both armies including waterways,
15 mountains, farms, wetlands, villages and roadways
16 retain integrity of the period of the American Revo-
17 lution and offer outstanding opportunities for con-
18 servation, education, and recreation.

19 (7) The National Register of Historic Places
20 lists 251 buildings and sites in the National Park
21 Service study area for Crossroads of the American
22 Revolution associated with the period of the Amer-
23 ican Revolution.

24 (8) Civilian populations residing in New Jersey
25 suffered extreme hardships during the American

1 Revolution due to the continuous conflict within its
2 borders, foraging armies, and marauding contingents
3 of loyalist Tories and rebel sympathizers.

4 (9) Because of the important role that New
5 Jersey played in the successful outcome of the
6 American Revolution there is a Federal interest for
7 the development of a regional framework to assist
8 the State of New Jersey, other local organizations
9 and governments, and private citizens to preserve
10 and protect natural, cultural, and historic resources
11 of the period and to bring recognition to this impor-
12 tant heritage for the educational and recreational
13 benefit of this and future generations of Americans.

14 (10) The National Park Service has conducted
15 a National Heritage Feasibility Study in the State
16 of New Jersey that demonstrates the sufficient as-
17 semblage of nationally distinctive natural, cultural,
18 and historic resources necessary to establish the
19 Crossroads of the American Revolution National
20 Heritage Area.

21 (b) PURPOSES.—The purposes of this Act are as fol-
22 lows:

23 (1) To build the capacity of communities, orga-
24 nizations, and citizens in New Jersey to preserve the

1 special historic identity of the region and its impor-
2 tance to the Nation.

3 (2) To foster a close working relationship with
4 all levels of government, the private sector, and the
5 local communities in New Jersey.

6 (3) To provide for the management, preserva-
7 tion, protection, and interpretation of the natural,
8 historic, and cultural resources of the region for the
9 educational and inspirational benefit of future gen-
10 erations.

11 (4) To strengthen the value of Morristown Na-
12 tional Historical Park as an asset to the region by
13 establishing a network of related historic resources,
14 protected landscapes, educational opportunities, and
15 events depicting the revolutionary landscape of New
16 Jersey.

17 (5) To strengthen partnerships among Morris-
18 town National Historical Park and other public and
19 privately owned resources in the heritage area, that
20 together represent the strategic fulcrum of the
21 American Revolution, as assets in the quality of life
22 in the region.

23 (6) To authorize Federal financial and technical
24 assistance to serve these purposes.
